## FACILITIES MAINTENANCE & MANAGEMENT

### Management and Facility Evaluation

---

#### What we do

Management and Facility Evaluation manages both real property evaluations and assessments of the effectiveness of Embassy and Consulate facility management sections. This includes detailed “walk around” surveys and focused interviews of the Facility Manager and his/her senior maintenance staff.

#### Products and Services:

- Maintenance and Repair
- Facility Management Assessment and Assistance Program
- Global Maintenance Management System (GMMS)
- The Facility Condition Index
- Annual Inspection Summary
- Building Maintenance Expenses (BME)

#### Funding

Management and facility evaluation projects are funded as a part of OBO’s annual maintenance appropriation.

#### How to get work with us

Contracts are advertised through Federal Business Opportunities website.
