JOHN SWIFT

www.burohappold.com

John Swift has over 25 years of experience in high performance building systems engineering design. A member of the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE), the Association of Energy Engineers (AEE), and the U.S. Green Building Council, he has extensive experience in the design and construction of numerous institutional and commercial facilities that require effective and reliable infrastructure for the optimization of occupant health, safety and comfort while minimizing energy and water usage.

John is the past chair of ASHRAE Technical Committee TC 2.8 Building Environmental Impacts and Sustainability, and was the Senior Editor of the 2nd and 3rd Editions of the ASHRAE Green Guide. The Green

Guide is a best-selling publication and one of the more prominent green guides in the institutional and commercial building design industry. Swift is also the chair of the committee for the proposed ASHRAE Standard for Water Efficiency (SPC 191). He John has led green design presentations and seminars at conferences throughout the U.S. and internationally in Helsinki, Kuwait and Montreal.

Mr. Swift's total commitment to an integrated design process and sustainable strategies make him a national leader in the design of high performance environments. Swift is a Principal with Buro Happold Engineering.
