Mr. Tej P. Singh has served as Executive Vice President of Gilbane Federal since 2004. He has an in-depth understanding of the federal construction marketplace and industry, which is instrumental to the business development, strategizing, and leadership of Gilbane Federal's operations.

As executive sponsor on numerous prime IDIQs contracts for DoD and U.S. Government clients, Mr. Singh provides top-level, global oversight and management of mission-critical projects worldwide, including heavy construction, site restoration and repair, energy, LEED-certified design-build, fuels facilities construction and repair, and lump sum.

He assigns qualified program managers, oversees IDIQ contract administration, monitors project performance for contract compliance, and serves as a high-level customer liaison responsible for achieving both company and customer expectations.

Mr. Singh first joined Gilbane Federal in 1995 as Operations Manager. He has over 25 years of experience directing federal programs and projects. Under his guidance, Gilbane Federal achieved its rating as one of the "Fastest Growing Companies in the San Francisco Bay Area." Mr. Singh earned his BS in Mechanical Engineering from U.C. Santa Barbara.
